Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

In response to the Notice of Incomplete Reply (Nonprovisional) dated May 31, 2002, enclosed please find the following items:

1. A photocopy of our response to the Notice to File Missing Parts of Application which was mailed on April 9, 2002 and received by the Patent Office on April 22, 2002 as evidenced by the date stamped return postcard. This includes: Copy of official Notice to File Missing Parts of Application, Response to Missing Parts transmittal, a FULLY executed Combined Declaration and Power of attorney (in three parts, including the signed declaration of inventor Audrey Goddard) and postcard. Also enclosed is a PTO-date stamped postcard acknowledging receipt of our April 9, 2002 response.
2. Copy of Notice of Incomplete Reply.

The applicant believes the Notice of Incomplete Reply was issued in error as our April 9, 2002 reply to Missing Parts was completely responsive and included the signed declaration of inventor Audrey Goddard. As such, we do not believe any fees are due by the applicant in this regard.

In the event any additional fees are due in connection with the filing of these documents including extension fees, the Commissioner is authorized to charge such fees to our Deposit Account No. 07-0630.
